ASL: I WEAR A MASK BECAUSE (36 SECS)

I wear a mask because. . .

I wear a mask because it's a tiny sacrifice to protect your freedoms.

Yo uso una máscara para mi familia y la comunidad. (English translation: "I wear a mask for my family and my community.")

I wear a mask because too many people who look like me are getting sick and dying from COVID-19.

I've grown fond of seeing people smile with their eyes. It's a beautiful experience in these times.

Even if you don't have to, I hope you choose to.
